BHP

PRETTY IN PINK

Edmund Rice Camps for Kids WA Inc. (ERCKWA) is a non-profit community based organisation that serves the needs of kids aged 7–16 and their families. They provide camps and other recreational and developmental activities for children who would not otherwise have access to such opportunities, supporting kids who are 'at risk' or experiencing some form of disadvantage.

On Friday 4th December an eager Supply NPI team from BHP spent the day painting 3 shipping containers and 2 sheds for ERCWA. With a mammoth task ahead of them, the team immediately put a plan together to complete the first coat of each container and the shed before the end of the day. With three bright colours to choose from, the pink was the obvious first choice!

"SEEING THE END PRODUCT OF WHAT WE COMPLETED KNOWING THAT IT WOULD BRIGHTEN ANOTHER PERSONS EXPERIENCE."

By morning tea the pink shipping container was complete and the team decided to split into groups to tackle the red and yellow container and start on the first shed.

Despite a sprinkle of rain in the afternoon, the team was able to get through a thorough first coat of paint on all three shipping containers, one of the sheds, and half of the second shed!

After such a successful day of painting, the team was eager to come back in the new year to finish the job!
