

BITS AND BOPS FOR TINY TOTS

Little Things for Tiny Tots (LTFTT) is a 100% volunteer run charity, providing new and pre-loved essential baby items to WA families in need. They create New Baby Boxes filled with 'little things' to assist families care for their newborn such as nappies, wipes, clothing, blankets, and books. They distribute New Baby Boxes via their partners including non-profit support services, hospitals, and government agencies. They are committed to providing help and support for babies and their families in their time of need.

On Tuesday 19 July, thirteen BHP employees from the Newman & Jumblebar Mining Geology team volunteered their time at LTFTT at the Tuart Hill Community Centre for a day of sorting donations. The team were greeted by Volunteer Coordinator Lori, who spoke about the organisation and the activities the team would be completing during the day.

Then it was go time, with team members breaking into smaller groups and working their way sorting through the copious amounts of donations. The team were designated with organising baby girl, boy and neutral clothing into size order, deciding if items were fit for use or not. Next the team were instructed to sort through piles of baby items such as toys, bibs, diapers, swaddles, blankets, and other necessary items that would be included in the baby boxes.

As the day wrapped up, half the team moved onto creating personalised congratulatory cards to new parent/s, whilst the other half of the team helped clean up the workspace and transport all donations back downstairs to the storage cages. The BHP team worked amazingly, and it was great to see everyone get involved. Little Things for Tiny Tots greatly appreciated the team's enthusiasm, time, and support.
