BHP AT GIVE WRITE

Give Write is a not-for-profit enterprise aimed at taking donations of new and pre-loved school stationery to recycle, repackage and re-gift to Western Australian kids in need who starts their school year with no supplies. The organisation's program also focuses on promoting recycling to reduce local landfill, encouraging children who may feel excluded or ostracised at school, alleviating the pressure on teachers (who often must reach into their own pockets), and encouraging philanthropy in children from an early age.

On November 3rd, 14 volunteers from BHP contributed their time at Give Write, sharpening pencils, cleaning crayons and Textas and using them to put together packs for Primary school children to use. 20 packs went to Parkwood Primary School, and 40 packs went to Bertram Primary School, which is a massive effort from the team. Photographer Dan was back at it again, snapping pictures and videos for Give Write's promotional team day videos.

It was a wonderful day for everyone, and the team shared many laughs along the way. Well done to everyone for their contribution to such a wonderful cause. Thanks BHP!
