BIG THINGS AT LITTLE TOTS

Little Things for Tiny Tots (LTFTT) is a 100% volunteer run charity, providing new and pre-loved essential baby items to WA families in need. They create New Baby Boxes filled with 'little things' to assist families care for their newborn such as nappies, wipes, clothing, blankets, and books. They distribute New Baby Boxes via their partners including non-profit support services, hospitals, and government agencies. They are committed to providing help and support for babies and their families in their time of need.

On the 25th of November, 13 volunteers from BHP spent their day at Little Things for Tiny Tots. It was a busy day for all, which started with the team working among 3 different stations. The first station consisted of packing New Baby Boxes. The boxes included 50 nappies, 80 wipes, a teddy, baby toiletries, toys, books, burp cloths, towels, nappy cream, and miscellaneous items e.g., dummies. Station 2 involved taping loose items into bundles e.g., nappies into sets of 10. The third station was the Swaddle Station, which consisted of wrapping one blanket and 2 swaddles into a pack.

After lunch, the team moved on to new stations. The team was instructed to create toy and book packs consisting of hard and soft toys, and various books. The team then packed New Mum Boxes. These boxed had two versions, one being breastfeeding and the other being bottle feeding. The team optimised efficiency by coordinating a production line to make the packs. The Breastfeeding box consisted of 3 maternity pad packs, 3 adult toiletries, 5 bottles with matching teats/lids, and nipple cream. The Bottle-feeding pack consisted of maternity pads, adult toiletries, and baby bottles. The team then wrote cards for new parents/guardians, congratulating them on the new arrival.

Achievements of the day included 35 New Baby Box packs, 120 swaddle packs, and over 400 nappies packed into bags. Well done to everyone for working so hard on the day. Thanks BHP!
