

GOLF CLUB CLEAN UP

The Hedland Golf Club was established in 1986 and has been a pivotal social activity in the region. Our Golf club has approximately +200 members. Competition days are held every Saturday through the year. The sand green course has 18 holes, licensed club house with Friday evenings for the best Fish and Chips in town. The club house is open 7 days a week. Carts and Clubs are available to hire.

On Tuesday 22nd August, 40 awesome volunteers from BHP C Shift, Mooka Ore Car Repair Shop volunteered their time to support the Hedland Golf Club. The morning started with Zumba to get everyone prepared for a great morning of volunteering ahead.

The large team powered through a huge amount of tasks the organisation needed support with, these included light construction, maintenance and repairs, washing walls in club house, litter picking, cleaning out the buggy shed, pressure washing, cleaning the car park and garden beds, general cleaning of the club house, tidying the kids playground, taking rubbish to the tip, collecting balls from the driving range and maintenance to the course and whipper snipping around trees and under branches.

To break the day up the volunteers all participated in fun activities such as quizzes and tug-a-war, this provided the perfect team building opportunity and made the day extra enjoyable. It was lovely to see the team really get involved and have a heap of fun while still helping out a very worthwhile organisation.

Thank you to the volunteers for creating an awesome atmosphere and for completing so much in such a short time. It was a great way to spend a Tuesday amongst colleagues, enjoying a day off site. A wonderful job done to everyone involved, we hope to your enjoyed your volunteering experience.

Thank you BHP!

Team Highlights

"Team bonding and helping the community"

"Improving the grounds for the community to enjoy"

"Having a laugh with workmates outside of work"

"Good positive energy"

"Seeing how good the area looked after high pressure cleaning it"
