

## SPEEDY SORTERS

Little Things for Tiny Tots (LTFTT) is a 100% volunteer run charity, providing new and pre-loved essential baby items to WA families in need. They create New Baby Boxes filled with 'little things' to assist families care for their newborn such as nappies, wipes, clothing, blankets, and books. They distribute New Baby Boxes via their partners including non-profit support services, hospitals, and government agencies. They are committed to providing help and support for babies and their families in their time of need.

On Friday 24th February, the MECoE Port and Rail Planning and Scheduling team volunteered their time at Little Things for Tiny Tots (LTFTT) sorting through various baby donations. After a warm welcome from Volunteer Coordinator, Lori, the team spread themselves among the different stations to organise donations brought in from the public. The team were tasked with sorting donations into different piles according to clothing, accessories, and other miscellaneous items. The team would need to focus their attention on the finer detail as they needed to filter out donations that weren't up to LTFTT standard. This task posed as challenge to some! From the donations, some team members even got the chance to create baby packs which consisted of clothing categorised into gender and season. Whilst this was happening, other members moved onto building nappy packs according to size, and others worked on writing cards for new time parents and caregivers.

Achievements of the day included over 31 nappy packs, 20 baby packs both summer and winter and multiple bags of donations sorted which helps LTFTT staff and long-term volunteers. Well done to this amazing group of volunteers who contributed to such a great cause. The time and effort has not been overlooked!
