

BHP

Team Highlights

"Feeling like I made a difference"

"Greater awareness of the needy within society".

"Seeing community groups collecting the donations".

"Great to spend some time with my new teammates, and felt like I contributed to my local community".

LITTLE THINGS CREATE BIG IMPACT

As a 100% volunteer run charity, Little Things for Tiny Tots provides new and pre-loved essential baby items to WA families in need. They create New Baby Boxes filled with 'little things' to assist families care for their newborn such as nappies, wipes, clothing, blankets and books. They distribute New Baby Boxes via their partners including non-profit support services, women's refuges, hospitals, and government agencies.

On Friday 30 June, 13 dedicated volunteers from the Projects Commercial Group gathered at the Stirling Community Centre to help with some donation sorting with Little Things for Tiny Tots. On arrival the team was greeted by Coordinator Lori, who ran the team through the tasks at hand for the day. As it was the last Friday of the month, it was also agency pickup day! With many picking up new baby boxes and supplies for new mums, carers and babies who desperately need it. Some agencies were able to share their stories and thank the team for their assistance which was a fantastic way to communicate the direct impact that they were making. The team were split across multiple tables and tasked with the following jobs: sorting through baby clothing and organising into size and gender, breaking down and building boxes, building blanket bundles, and sorting donations into categories such as swaddles, onesies, books, toiletries, socks, nappies, etc.

Thank you, BHP, for sorting through countless piles of donations. Little Things for Tiny Tots are extremely grateful for your time and helping hands!
