"Being with the other school based trainees"

"Spending time with my team"

"Seeing the final outcome of all the hard work we put in"

"Painting/sealing the bamboo"

"Making jokes with my team"

FUN DAY AT TRELOAR DAYCARE

Treloar Child Care is a community based not for profit centre. Located in South Hedland who offer long day care, after school and vacation care from 3 months to 12 years. The relationships built are secure, respectful and reciprocal. Every child enrolled is valued, nurtured and encouraged to be their true selves. The centre's environment easily allows free movement from indoors to out creating highly engaged and familiar open ended play experiences fostering curiosity, mathematical thinking, language and literacy development.

On Friday 17th November, a team of 8 volunteers from BHP spent their morning assisting the Treloar Daycare Centre in South Hedland with various tasks. The team arrived ready to work, their day began with painting the recently installed bamboo fencing with bamboo sealant. The volunteers also got hard to work oiling the timber fort, cleaning out the toy shed to make it more accessible for staff and completed a few gardening jobs around the outdoor area.

The team had good music playing and enjoyed a delicious shared morning tea which was made by a local business, the overall energy of the day was awesome.

A big thank you to this enthusiastic team for putting in a huge effort especially on such a warm day, the Treloar Daycare appreciated the support. We hope you enjoyed your volunteer experience.

Thanks BHP!
