

BHP

HAPPY HALLOWEEN

Newman Day Care Centre is a community based, not for profit, long day care centre which strives to create an environment where children feel safe, secure and supported. They pride themselves on providing a "Home Away from Home" feel.

On Monday 30th October, 8 volunteers from BHP volunteered their morning to assist the Newman Day Care Centre to arrange Halloween Decorations around the centre in preparation for their Halloween Celebrations. The enthusiastic team also worked hard sanding, varnishing, repairing and constructing tables and other outdoor furniture.

The team was thankful that the Day Care Centre had their verandah water misters on, so they could get some relief from the heat. The awesome team completed a lot in the short time they were volunteering.

Newman Daycare Centre were extremely happy with the teams' effort and are extremely grateful for giving their time and helping hands! We hope you enjoyed your volunteering experience.

Well done BHP!

Team Highlight

"Being able to volunteer our time to provide a service where it was needed and to make a difference"
