HOLE IN ONE!

The Port Hedland Golf Club was established in 1986 and has been a pivotal social activity in the region. Our Golf club has approximately +200 members. Competition days are held every Saturday through the year. The sand green course has 18 holes, licensed club house with Friday evenings for the best Fish and Chips in town. The club house is open 7 days a week. Carts and Clubs are available to hire.

On Monday 28th August, 10 enthusiastic BHP volunteers assisted the Port Hedland Golf Club. The team were kept busy doing a number of jobs, including: raking the front of the club, pressure washing and whipper snipping. The volunteers also enjoyed a delicious morning tea to refresh from their big morning.

The dedicated and hard working volunteers enjoyed a round of golf to finish off their volunteering experience. Another fantastic effort from this team as they volunteered their time once again to provide some much needed assistance to a well loved organisation.

Well done to everyone for putting in such a big effort on the day. The Port Hedland Golf Club was appreciative of the help they received and how hard the team worked throughout the morning.

Thanks BHP!
